

A message from the President of the Reunion.  
Hi Frankenhield Kin,  
I am happy to announce a new location for the Frankenhield reunion. We moved it to the Williams Township Fire Company. We are hoping it is a more family friendly environment for your children. This year we will have games for the children to play!

When I worked at Rodale Press over 10 years ago, I met Pam Frankenhield, we had questioned each other if we either attended the reunion. I told her I didn't think I was related to that Frankenhield family. After a little research, I did indeed find out that all Frankenhield's are related. And yes Pam, we are related

I recently had dinner with the family genealogist Alfreda Patton Davidson, we discussed family and the reunion. She was informing me of second immigrant that came to the states in 1853 from the same area in Germany, and yes they are related as well.

Alfreda Patton Davidson has copies of The Frankenhield Family in America beginning 1749. See our website for an order form, or write Alfreda for more details at: Alfred Patton Davidson, 1795 Verdan Drive South, York, PA. 17403. ([www.frankenhieldreunion.com](http://www.frankenhieldreunion.com))

I'm hoping you can make it, but I know with gas prices it may not make that possible. You can support us by making a donation to the reunion. Donations can be sent to Frankenhield Reunion, 126 Lakedale Drive, Lawrenceville, NJ. 08648

Sincerely,  
Kevin Frankenhield  
President
